Instyle Painting was established in 2012, building on over 14 years of industry experience. The business was founded with a clear focus on delivering high-quality workmanship, reliability, and a refined finish across every project. This capability statement has been developed to provide an overview of our services, experience, and capacity to deliver consistent results across a range of sectors.

We provide comprehensive painting services across residential, commercial, and industrial projects throughout the Perth metropolitan area. Our scope includes insurance works, garage floor coatings, wood restoration, and a range of specialist finishes, including concrete-effect coatings, Venetian plaster, and microcement. With a strong understanding of both standard and high-end finishes, InStyle Painting is equipped to meet diverse project requirements while maintaining a high standard of quality and attention to detail.

HOW WE WORK

We follow a structured and transparent approach to ensure every project is delivered efficiently, safely, and to the highest standard.

Quoting & Transparency

We provide clear, detailed quotations outlining the full scope of works, materials, and expected timelines. Our approach is fully transparent, ensuring you understand exactly what is included with no hidden costs or ambiguity.

Materials & Finishes

We use high-quality, industry-approved products suited to each project's requirements. From standard coatings to specialised finishes such as epoxy, microcement, and feature coatings, we ensure durability, consistency, and a refined final result.

Delivery & Timeframes

We plan and schedule each project carefully to ensure efficient delivery within agreed timeframes. Our team works with minimal disruption, maintaining clear communication throughout the project to keep everything on track.

Warranty & Support

All works are backed by our workmanship guarantee and relevant manufacturer warranties. We stand by the quality of our work and remain available for ongoing support, ensuring long-term performance and client confidence.

OUR SERVICES

All works are carried out in accordance with industry safety standards, with a strong focus on quality, compliance, and attention to detail.

As a family-owned business, we provide direct communication with the project lead, ensuring efficient decision-making, consistent quality control, and a streamlined process from start to finish.
